

Offsite Catering Package

With our full-service package, you will be provided with an array of high-end services to seamlessly create your dream wedding.

Our Mobile Kitchen- Our mobile kitchen is brought to each wedding to ensure your menu is cooked to perfection: hot, fresh and delicious! This is a full kitchen that comes with every piece of equipment needed to expedite your menu.

Equipment- China, flatware, water glasses, buffet equipment, set up and breakdown. We also have a list of outside vendors we partner with that offer many upgrade options.

Our Staff- We provide a team of seasoned staff members from our catering servers with years of experience, to our catering chefs with extensive culinary backgrounds. They have perfected their craft to provide you with impeccable service.

The Captain- This person will heavily communicate with the venue's day of coordinator and DJ to ensure all timelines are met from beginning to end of your wedding reception.

The Lead- This person is there for the two of you, as your personal butler for the evening! They will make sure you have drinks and appetizers during cocktail hour, bring you your meals during dinner service, and even check in on your parents as we know this is a big day for them too!

Sales Executives- You will be working directly with both Alexa & Audra from beginning to end as each of them receive all messages to ensure you are receiving immediate attention, any day of the week!
